

Appendix P:

ANTI-BULLYING POLICY

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the Code of Behaviour guidelines issued by the NEWB, the Board of Management of Mary Queen of Ireland National School has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures* for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which:
 - ✓ is welcoming of difference and diversity and is based on inclusivity;
 - ✓ encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - ✓ promotes respectful relationships across the school community;
 - Effective leadership;
 - A school-wide approach;
 - A shared understanding of what bullying is and its impact;
 - Implementation of education and prevention strategies (including awareness raising measures) that build empathy, respect and resilience in pupils; and
 - ✓ explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
 - Effective supervision and monitoring of pupils;
 - Supports for staff;
 - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
 - On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures* for Primary and Post-Primary Schools bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's *Code of Behaviour: Appendix Q*.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour. Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures* for Primary and Post-Primary Schools.

Further action:

- Where the relevant teacher considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after determining that bullying has occurred, it must be recorded on the *Record of Bullying* template (appendix K in the *Anti-Bullying Procedures for Primary and Post-Primary Schools* document).
- All cases reported by means of the *Record of Bullying* template will be reported to the Board of Management.

7. The school's programme of support for working with pupils affected by bullying may include the following (see Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

- Various approaches and intervention strategies will be used depending on the specific circumstances. CPD may be provided to up-skill staff in the range of possible strategies, which may include:
 1. The traditional disciplinary approach
 2. Strengthening the victim
 3. Restorative Practice
- Follow up meetings will be used to assess how the pupils affected by bullying are coping.
- Counselling may be offered if appropriate and available.
- LITH and GAM hours may be used to dedicate time to supporting the development of pupils self-esteem, friendships and social skills.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

10. This policy was adopted by the Board of Management on 25th March 2014.

11. This policy has been made available to school personnel and has been published on the school website. A copy of this policy will be made available to the Department and the patron if requested.

12. This policy and its implementation will be reviewed by the Board of Management once in every school year. Written notification that the review has been completed will be made available to school personnel and published on the school website. A record of the review and its outcome will be made available, if requested, to the patron and the Department.
